

Mid-Year Conference Bean Bag Tournament

The Bags Tournament held at the 2009 IMA Mid-Year Conference attracted 28 players. Of the donations collected, \$120 was donated to "Breast Cancer Research" and \$125 was donated to "Safe Surfin' ". With the small time frame between meetings to run the tournament, it was a success. A tournament is scheduled to be held at **Illinois Day at Mooseheart** from 9:00am to 1:00pm. Early sign up is encouraged, that way a double elimination event can be scheduled. Thanks to Bruce & Matt Derby for all their help. See you at Mooseheart!
