ST. VALENTINE DANCE

Nominating Committee

The following members will comprise the Nominating Committee: All the elected officers, Gov. John Cortell, Jr. Gov Rod Kimberling, Prelate Bill Walters, Treasurer Art Mattson, Trustees Jack Ponstein, Reed Loy and John Konnezney and Secretary Ray Manley. Past Governors Les VerVers, Frank Brand, Herb Oestman, Fred Rith and Walt Abrimites. Members at Large: Frank David, Rus Smith, Homer Hayes, Ed Worth and Millard Guenther.

A preliminary meeting will be held after the lodge meeting on Feb. 19th. More meetings will be scheduled to formulate a ballot consisting of the following offices: Governor, Jr. Governor, Prelate, Treasurer, and one Trustee. All offices are for a period of one year with the exception of Trustee which is for 3 years.

Any Lodge member who has been a member for at least six months and is in good standing may approach any of the above committee and submit his name for the office he wishes to be considered for.

Blood Bank

Here we are starting out a new year. The last year was quite successful as far as our blood bank was concerned, but I am sure it could have been a greater success if only we could get more of you people interested in what, I think, is the greatest group that is part of our lodge. What is greater happiness than you or your loved ones' good health? We, who are part of the blood bank, need never worry about blood, so this leaves us more relaxed.

GOVERNOR'S COLUMN

Downers Grove Lodge is on the March! From all its Officers, Chairmen, Units and Members come reports of enthusiastic and successful achievements.

The consistent addition of new members is giving us the life blood which sustains ours or any worthwhile organization. This means for all of us the continued perpetuation of our tremendous lodge and the many units which had so adequately and so complimentary placed Downers Grove Moose in an enviable position.

Our lodge can be compared to the smooth operation of any successful corporation. The guiding influences are supplied by the Board of Officers and their policies supplemented by the solid backing of the rank and file in our membership.

Consequently this is the time of our lodge year when deep consideration must be given to the qualifications of the men who will soon become candidates for top offices within our lodge. Some have shown much ability in holding other offices in the lodge and units; others have indicated promise by their fine handling of important committee assignments; and practically all have exhibited many times over their enthusiasm and affection for the lodge.

The situation works two ways. If the right men are chosen to the responsible positions of our lodge leadership, naturally the lodge and the fraternity aim to benefit. By the same token, the officer who does well for his lodge does even better for himself,—in that he achieves a certain sense of confidence in himself; assumes a new position in the eyes of his fellow members; and learns, first hand, the rules and regulations of our Order.

The Nominating Committee will cogitate well during the next few weeks and give the lodge the "Best" in deciding the ballot which shall be presented to the members for the final voting. It's really that important.

Fraternally, yours,
Johnny Cortell

and we can enjoy our other lodge activities that much more.

So, why not start this new year out right. Join our blood bank, and get that feeling of security, don't keep putting it off 'till later, for time moves too quickly, and it is easy to forget.

Our last blood bank on December 15th had sixteen people present: two women, and fourteen men.

Those who came were: Ju-

Our annual St. Valentine's Day Dance will be held Saturday, February 14. This is the one night of the year that the "fairer sex" is catered to. Each lady will receive a corsage.

Ladies, this is your night and we are going all out to see that it is really and truly yours. So put on your fanciest dress, or formal, if you wish. Hire that baby sitter now, and inform your sweetheart there are tickets for sale in the club room.

Some lucky lady will be chosen to be our St. Valentine's Day Queen, and others will be her court.

Dancing will be to the beautiful music of Galeo and his band. Make sure the man in your life brings you to this special night.

This year our Valentine Dance will be open to guests accompanied by a member with a paid up green receipt.

Make plans now to make a real party night with your friends and fellow lodge members.

Ellen Marie Kimberling and Helen Van Leeuwen are co-chairmen and would greatly appreciate any offers of help.

HELLO FELLOWS

The members of the Fellowship Degree held their annual potluck dinner on Sunday evening, January 11th. Bob Lewis was chairman. He, Frank David, and Joe Regan prepared the food, of which there was an abundance. Joe Regan also served as auctioneer of our "White Elephant."

Our next meeting is February 11th, and we urge all members to attend as we are making plans for our Fellowship night party at the end of Anniversary Week in April.

Remember, our meetings are the second Wednesday of each month.

?MYSTERY PARTY?

You've been asking for it again! Demanding that we bring it back! So on the night of Feb. 28th we will again have that fun filled Mystery Party which everybody participated in.

LOST AND FOUND

A ladies' glove was found at our Lodge home. If you are missing one, please inquire at the office.

MOOSE LEGION NOTES

Bruce Ritchie

Don't forget, Legionnaires, the big Ceremonial on March 8th at Downers Grove. As prizes for this Ceremonial, Downers Grove Legion is offering a dinner ticket for a dinner and a tour of China Town. For two or more candidates, it will be two tickets for this affair, two tickets being the maximum we can offer. So let's sign up those candidates and let the Legion take you and your wife out on the town.

At our February 1st breakfast, the Legion will have nominations of officers for the coming year, with election of officers in March. Let's have a good turn out.

8 P.M. Monday following
second lodge meeting.

As of right now, it looks like Friday, February 27th, (7:30 p.m. show time) is our Ice Capades date, but we are trying for a Sunday date instead, which would be more convenient for the majority.

At our next breakfast, Stanley Stack has promised either steak and eggs or ham and eggs. Hoping to see you there, February 1st.

I wish to thank each and every one who so generously contributed of their time and effort at the January 25th B.A.C.A.

ROD AND GUN

The month of January, and our second month of the Fish Fry, is about over. By the time the Roundup is out, we will have four more weeks of serving the fish fry dinners on Friday nights. We had a very good turnout on January 16th, serving 373 dinners. I want to thank all of the members of the lodge that helped when they saw that help was needed to serve this crowd. It looks like we will have a very successful turn, profit wise, on the thirteen week fish fry endeavor.

The following is a summary of what went on at the trap grounds this past year on our Annie Oakley Shoots:

Tuesday, the 13th, we had

our Annie Oakley of the year trap shoot. To shoot on this Annie, you had to win an Annie of the Month. The monthly winners were: January, J. Krugoff; February, J. Hattan; March, Dan Cresta; April, D. Bjingleson; May, E. Williams; June, R. Olsen; July, R. Melick; August, C. Winters; September and October, R. Pfeiffer; November, B. Wouk; December, R. Olsen. The winner was J. Hattan after shooting twenty-six rounds before D. Cresta finally gave it to him. On the 11th, J. Hattan shot the first 100 straight shot at our club since we started keeping records in 1967. We also picked up our first three "75's" this past year.

W.O.T.M.

Mooseheart has extended to Chapter 973 the honor of performing the enrollment section of the ritual at the Mid-West Conference to be held in the Naperville Moose Home on March 1.

We want to do an outstanding job, so it is essential that all chairmen, escorts, guides, officers and Heart List girls attend the ritual practice to be held on February 12. I am confident that all will plan to participate in Naperville and all members of Chapter 973 are invited to attend. Let's have a big turnout.

Candlelight bowling, Tivoli lanes — February 7. Another evening of great fun, followed by refreshments at the Moose Home.

Also on the lighter side—there will be card party on February 23 with Homemaking Chairman Kay Scheltens in charge.

Jackpot — the committee attendance prizes offered by Senior Regent Marlene Walters were won on the third time around by Verona Fitzmaurice. Verona went home with a floral candlestick center piece, an electric mixer and an electric coffee maker. A new jackpot of prizes starts at the committee meeting on February 26.

Committee chairmen are among our hardest working

members, so we want to remind you who they are. Working for you—and with you—are: Wally Balluff (Mooseheart); Nancy Moore (Library); Nancy Milton (Child Care); Connie Lightowler (Social Service); Beverly Dahl (Moosehaven); Kay Scheltens (Homemaking); Mary Lou Ricca (Hospital); Ann Kramer (Membership); Mitzi Kolar (College of Regents); Ruth Eldridge (Academy of Friendship); Escorts - Bertha Kosar, Julia Lave, Blanche Behouvek, Florence Cortell, Mary Jane Porch, Dorothy Smith, Myrtie Van Ness and Helen Leaf.

Fraternally,

Sandy Cowan,
Publicity Chairman

Green Thumb Tips

A pencil and a seed catalog are the gardener's best friends during winter.

They furnish a way to pass the time and help to turn dreams into realities.

Add a pad of cross-section paper to pencil and catalog and you add another dimension—the plan for later planting.

Anyone can count squares—you don't need to be either an artist or a landscape architect. And approximate footages of the areas you intend to plant can be stepped off at any time of year.

* * *

An interesting and unusual house plant that can be grown from seeds is the Jacaranda tree—a 50-foot native of Brazil.

Fern-like leaves and blue flowers make this one of the world's outstanding trees.

Of course no tree will grow in your window but seeds planted in the garden will furnish dainty foliage all summer and a plant or two potted to bring indoors will be a conversation piece all winter.

* * *

As a matter of fact, poppy and bachelor button seeds can be planted even in the North, even on top of snow.

They may not come up in a perfectly straight row, but sprout they will when the soil and air warm.

ST. VALENTINE PARTY FEBRUARY 14th, 1970

Would you like to be Queen or a lady of the court? Then you must attend this wonderful party to be eligible.

Have you ever tried growing mushrooms during winter? It's a rewarding experience.

You need a place where the temperature stays between 50 and 60 degrees.

You buy the mushroom spawn and plant it in rich soil, water well and keep covered until the first buttons show.

* * *

If you live in an area where salt is used on paths to melt ice, beware of the after-effects on nearby lawns or plants.

Lucky Pool

The "Luckiest Pool" players and winner of the "Moose Zippo" for December was "Vince Price," with a total score of "nine hundred and seven points." Nice shooting, Vince!

Ronnie Layne came in second with an 858, Lloyd Bryson ran a close third with 848, and John Van Ness came in fourth with 802 points. "Nice score, guys."

We "Lucky Pool" players enjoyed free "Moose Milk" and sloppy joes Dec. 2nd. Marilyn Walls served the food. Thanks Marilyn for the delicious sandwiches.

Our other scores were:

Chuck Pepper 796, John Gibson 773, Vern Alexander 744, Johnny Mack 700, Bill Leeburg 693, Ray Braatz 679, Tom Bryant 647, Dave Henrikson 604, Jim Walls 586, Russ Olmstead 529, R. Jones 526, Syd Cowan 515, Bob Parker 503, John Hudacek 458, Roy

Hansen 417, Don Hill 416, Bill Hruby 406, Bob Andrus 360, Jerry Dunlap 329, Ed Hendrickson 310, Paul Mende 293, John Boonstra didn't shoot a 244, Phil Patterson 198, and Buster Hillyer 175 points.

You fellas probably haven't given "Horse Shoes" a thought for a while, with all the snow and cold weather we are having? Well, it won't be long before we'll be out there pitching for prizes again. Tom Bryant said he has developed a new style so "look out"! I'm sure some of the rest of you will come out with something this spring.

The lighting will be better yet this year and we already have the fogger, so this season, our third annual, should be the biggest and the best yet!

Let's continue making "Lucky Pool" a big success and plan on a big summer, pitching horse shoes.
